

## **Azamat ZHANGULOV**

### **Senior Vice-president**

Born on 16.03.1980

Residing in Bucharest, Sector 1

### **Education**

Faculty of International Economic Relations within the Kazakh State Academy of Management

### **Professional expertise**

Over 11 years of professional experience in the Oil & Gas field, from which 9 years were spent in different companies of KazMunayGas Group.

Joined the KazMunayGas Group team in April 2003, occupying the positions of Senior Manager of Corporate Development Department and Senior Manager of Assets Development Department within National Company "KazMunaiGas" and in 2007 he was named as Deputy Director of the Corporate Development Department. One year later, our colleague took another challenge as Adviser of the CEO within Trade House KazMunayGas, being in charge with providing improvement proposals on issues regarding effective operations of petrol stations. After a short period of time he was named Director of Overseas Project Management Department and in 2009 he became Managing Director within the same company.

Before joining the Rompetrol team, our colleague held the position of Director of Overseas Investments Management Department within National Company "KazMunaiGas" for 2 years, being in charge with the management of overseas investments, Rompetrol governance and international Mergers & Acquisitions projects.

**Currently holding the position of Senior Vice-president the Rompetrol Group**
